**Envision Solutions, LLC and Trusted.MD Network Launch
Second Comprehensive Study of Global Healthcare Blogging
Community**

*- The "Taking the Pulse of the Healthcare Blogosphere"
survey tracks the demographics and opinions of
healthcare bloggers from around the world. -*

New York, NY – August 27, 2007 – Today, Envision Solutions, LLC (www.envisionsolutionsnow.com) and Trusted.MD Network (<http://trusted.md>) launched the second edition of the "Taking the Pulse of the Healthcare Blogosphere" survey. This annual poll gathers comprehensive opinion and demographic data from the global community of healthcare bloggers.

The 2007 edition of the survey will run from **August 27 to October 15**. It is open to individuals and organizations that devote at least 30% of their blogging time to healthcare-related topics. To learn more about the poll, please go to: <http://www.envisionsolutionsnow.com/survey2.html>.

"Since our inaugural 2006 survey, the healthcare blogosphere has grown in size, influence and recognition," said Fard Johnmar, founder of Envision Solutions, and Dmitriy Kruglyak, CEO of Trusted.MD Network. "We are pleased to kick off the second edition of this survey, which will provide the public with additional insights about this diverse and vibrant component of the global blogging community."

Envision Solutions and Trusted.MD Network expect to release the results of this survey in the Winter of 2007.
